Exhibition On  
Solar, Energy, Electric Vehicle, Power & Allied Industry

ORGANISED BY

Bharat Solar & E V Expo provides the ultimate business solutions forth meetings and events industry, uniting an elite class of buyers from PAN India. Exhibitors benefit from the opportunity to meet with a range of international and regional buyers who have the authority to place real business.

Under the dynamic leadership of Hon'ble Prime Minister Shri Narendra Modi and Hon'ble Chief Minister Shri Yogi Adityanath, India is making remarkable strides towards a cleaner, greener, and energy-secure future.

Guided by the Hon'ble Prime Minister's vision for a sustainable and self-reliant nation, and the Hon'ble Chief Minister's ambitious efforts to establish Uttar Pradesh as a hub for solar energy, this expo strongly resonates with the objectives of the UP Solar Energy Policy 2022–2027, which aims to achieve a target of 22 GW solar power capacity.

This platform serves as a convergence point for showcasing cutting-edge developments in solar energy, electric mobility, and green technologies, while fostering industry collaboration and technological innovation among key stakeholders.
